Freedom's Open Door Again Theme of High School Prize Winning Essay

Presented below is the third and final in a series of essays written by the students of the Hamlin High School as a participation in the contest sponsored by the Veterans of Foreign Wars. The Hamlin Post 6014 awarded third place to the following essay week before last in ceremonies conducted at the school.

By JUANITA MULLINGS

Liberty is not a number of pieces of paper of greater or lesser antiquity, but a spirit in the minds and hearts of living men which informs their society and its Government. In a society which cherishes liberty, the rulers are careful that their acts shall remain within the limits of the social purpose for which they were entrusted with power, and the ruled, while zealous to defend their just rights, are careful to assert none which will invade or destroy the rights of others, or weaken the cohesion of the body politic.

Liberty, if a spirit, is not a spirit which can be acquired overnight, as the draftsman of many paper constitutions have found to their sorrow, but it is a spirit which we have inherited from our fathers and hope to pass on unweakened. It is for this reason that we are justified in turning back to 1863, to 1776, even to 1215, in seeking out the landmarks by means of which the growth of that spirit may in some measure be traced.

Liberty was not given to us. It has come gradually as men have struggled for it. This is true in our own history as it has been true in the history of the world. Liberty has been won. It is a sobering thought that what has been won can also be lost.

We should understand that the great documents create liberty less than they record it. The Declaration of Independence was the self-expression of the essentially free society of Colonial America, come at last to disagreement with the caste-ridden, far less free society of 18th Century Britain.

A few of the milestones of liberty are: The Magna Charta, The Mayflower Compact, Declaration of Independence, The Constitution and The Emancipation Proclamation.

It is said that people do not realize how precious their liberty

is until they lost it. Today, liberty is lost mostly to Communism.

Vishinsky, before the United Nations Assembly, accused the United States of every crime from warmongering to treaty breaking. Some became very angry. Others began thinking over the accusation. Those who were thinking thought, "Let us ask ourselves and tell the world what is really wrong with America. Is our moral and political position so good that all our critics are liars?"

No, we are guilty of a great crime. It is a crime quite similar to slavery, which made Thomas Jefferson say, "I tremble for my country when I reflect that God is just."

Several million of the people who had been pulled out of Russia and Russian-occupied territory and who now did not want to go back went back whether they wanted to or not. And now, of course, the more loath a non-returner is to return, the more eager the Soviet Union is for his return. You can guess why. Let loose in the capitalist world, he would not serve as a very good propagandist for Communism.

These people in Europe are not "Displaced Persons." They are, in the simplest terms, political refugees. They are refugees from Communism.

We used to have in this country, and in those of our allies, a great tradition of political asylum—its own escapes being branded as traitors and eligible for death. There is a man named William Pawley, our ambassador to Brazil, who seems to have a deal about worked out whereby Brazil accepts 100,000 DP's and we pay the freight.

Ever since we have had a government, we have, like all the rest of the world's free lands, offered a haven for oppressed or political fugitives. If we took in all the present European refugees, Jews and non-Jews, it would increase our population by less than one per cent.

We have the example to set in providing asylum for some part of these million fugitives from Communism. Literally and piously, for their sake, let us get these people out of their torment. And let us bring in those who wish to come to us.

Cub Scouts of Den 1 Visit Hamlin Oil Mill

Den 1, Pack 43 of the Cub Scouts visited the Mid-West Cooperative Oil Mill, last Thursday. The boys were guided through the mill by R. L. McClung who explained each process that began with the cottonseed and ended with the production of the end-products, cottonseed meal, pellets and cottonseed oil.

The trip ended with a visit to the mill office where Clyde Grice, manager treated each boy with a candy bar.

Those who toured were: Jerry Carlton, Young Bill Maddox, Joe Stephens, Butch Stephens, Dudley Griggs, Dwight Griggs, Bobby Johnson.

The group was accompanied by Mrs. Weldon Carlton and Mrs. Joe Stephens.

Next slated meeting for the group was Thursday, March 27.

Dollar Day Trade Stimulator May Be C of C Promotion

First step of the Hamlin Chamber of Commerce in an intensified campaign for community betterment was taken in a meeting of the Trade Extension Committee Wednesday.

Under the chairmanship of Gene Prewitt, Carl Murrell, Clyde Carroll, Leroy Stubbs and Jim King met as committee members and discussed features that might be adopted as a trade stimulant for Hamlin. Discussions were held on a Dollar Day as a monthly feature and establishment of a Live-stock Auction.

Action of the committee was to investigate the possibility of a Dollar Day and the project is to be discussed with individual merchants prior to its adoption.

If the event can be established as a cooperative project, the day will be a Wednesday trade attraction once each month and a stimulated trade will be sought on that day.

Other members of the committee who were unable to attend the Wednesday meeting are J. W. Burgess, Charles Gardner, Clyde Alexander and Mrs. John C. Bryant.

Pie and Cake Sale Set By Methodist Circle

Circle No. 1 of the Women's Society of Christian Service of the Hamlin First Methodist Church will hold a pie and cake sale Saturday in front of the J. M. McDonald Co. store.

Sale will start at 10:00 a. m. and funds will go into the circle treasury.

Sylvester Scouts Now Have Troop

Sylvester's American Legion is new sponsor of a Boy Scout troop, as of three weeks ago, there.

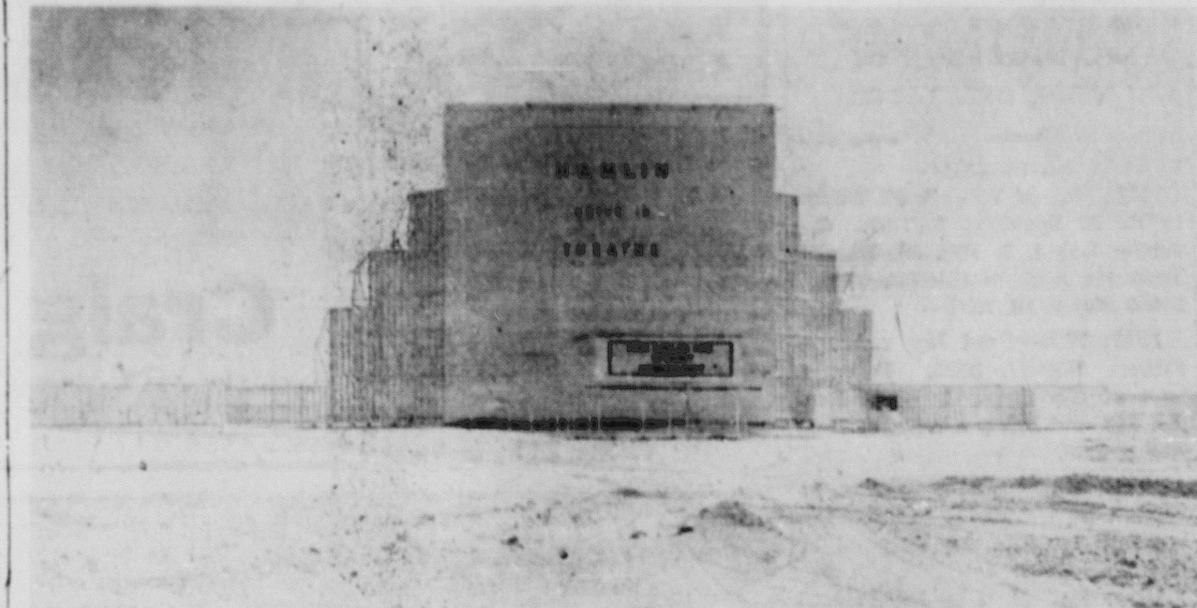

A new charter was drawn up, last charter being in 1930. Institutional representative is Melvin Thompson, committeemen are: Guy Mauldin, chairman; Albert Maberry and Regan Myers. Scoutmaster is Clay McElyen; assistants are: Charles H. Scott and Galen R. Solomon.

Meeting nights are on Monday and 27 boys are now attending. The group has been divided into three patrols. They are: Bear, Eagle and Panther.

Bear patrol includes: Billy Early leader; Freddie Blake, assistant leader; Charles Newman, Glen Reynolds, Ronald Terrell, Gerald Hood, Wyman Early and Jimmy Kelly.

Eagle patrol includes: Raymond Perkins, leader; Frank Newman, assistant leader; Donald Kemp, Jerry Kiser, Charles Meek, Kenneth McCain, Buster Brown, Truman Mauldin and Freddie Parsons.

Panther patrol includes: Orville Blake, leader; Robert McElyen, assistant leader; Buddie Williams, Wendell McCright, Lanor Dickerson, Billy Bruce Dowell, Don Smith, Jimmy McElyen and Neal Woods.

Hamlin Drive-In Theatre Is Formally Opened In Ceremonies Last Thursday

Last Thursday night provided a festive air in Hamlin when the Hamlin Drive-In Theatre had its surprise formal opening.

Capacity crowds greeted the first film projection on the new outdoor entertainment center and very few difficulties arose from the initial public demonstration of the modern equipment.

Various estimates of amount invested in the new Hamlin enterprise have been made and it was learned from Mrs. B. S. Ferguson, manager, that a final computation of the cost of the structure would approach \$75,000.00.

The projection screen of the new drive in theatre is said to be the largest in this section of West Texas and the Century projectors are of the latest type manufactured. A so-called "moon-tower" is to be built at the rear of the parking area which will permit a diffused illumination to aid drivers in parking near the speaker stations. The character of this light will not interfere with images as cast on the screen.

The early opening of the theatre was in response to Hamlin pleas for this type of movie entertainment and was made in advance of final work on the massive layout.

To meet these demands, it was necessary that the play area for children be restricted until such time as grass can be seeded and grown. Capacity of the new plant is now about 340 cars.

Attractive feature of the new theatre is the complete snack bar which is maintained. Fixtures throughout are of stainless steel and an efficient crew cares for the demands of the customers.

No ceremonies were observed in the opening of the theatre other than a short welcoming talk from Weldon Carlton prior to the start of the picture.

Mrs. Ed Lewis presides at the ticket booth at the Hamlin Drive-In Theatre and Watts Fletcher and Jigger Rowland function as ticket takers. Gene Reynolds is operator of the projection machine. Mrs. Mildred Roach is in charge of the concessions stand and is assisted by Tucker Newland.

Work continues on the finishing of the plant as the show is being operated and completion of this work will bring Hamlin one of the most beautiful theatres in all of Texas.

CDR. LOUIS F. JORDAN

District Commander Jordan will preside at the Mineral Wells convention of the American Legion, March 31-April 1.

Brady Relays Goal Of Pipers in Cup Defense Saturday

Hamlin's Pied Piper track aggregation was polishing its form in preparation for the tenth annual Brady Relays which will be staged Saturday.

Prime event on the calendar for the Piper squad is the two-mile relay, in which race the Pipers will be seeking permanent possession of the cup offered. Twice the Pipers have raced home in front of the field to gain two legs on the trophy and a win in the event this year will give them full title.

Coaches Townsend and Nunley were interviewed Wednesday and named W. T. Stapler, Don Rowland, Ronald Armstrong and Robert Fletcher to carry the hopes of the Pipers this year.

Disturbing note in the hopes of the locals is the fact that the meet will be conducted as an open classic this year and AAA and AA teams will participate. Chief as a threat to Hamlin is Big Spring.

A new race to the locals this year will be the mile-medley in which Tuffy Ford and W. T. Stapler will run the two 220 yard laps followed by Sugar Green in the 440 and Don Rowland in the 880.

Another new event will be the shuttle relay race in which Watts and Robert Fletcher and Rowland and Asa Goodgame will each race 86 yards.

In the mile relay which is always the highlight of a meet, Ford, Green, Goodgame and Stapler will compete.

Asa Goodgame will be prominent for Hamlin in both hurdle races and the high jump as well as participating in the relay races. The Fletchers, Don Elmore and Joe Don Hymen will also battle in the hurdle races.

Tuffy Ford will enter the high jump with Goodgame.

David Cowan, Jon Adams and Durkee will run the mile.

Watts Fletcher, Durkee and Wheat will represent the Pipers in the pole vault and Stapler and Jerry Carr will compete in the shot and discus.

Milton Butler, Jim Harwell and Frank Albert Tucker will race in the 440. Ford and Jimmy Ray are the Hamlin entrants in the 100 yard dash and Rex Howard Vest will run in the 220. H. Vest will also compete in the broad jump.

Green, Armstrong, Ford and Stapler will race in the 440 sprint relay.

Goodgame was the only speedster able to tally points in the Bluebonnet relays at Brownwood last Saturday when he placed second in the high hurdles and tied for third in the high jump.

Red Cross Funds Near Quota As Drive Ends

A report received by The Herald late Thursday from Mrs. Jerry Waggoner revealed that the drive for Red Cross funds in Hamlin had brought a total of slightly over \$1,100 into the coffers.

This sum as compared with the \$1,400 quota assigned by Chairman Bernard Bryant, would indicate that last minute pledges are going to have to come in if Hamlin is to subscribe in proportion to former years.

Firemen Prep for Convention Which Will Bring Hundreds To Hamlin April 5

Members of Hamlin's volunteer fire department are feverishly going about their duties in preparation for the district convention which is calendared for Hamlin for April 5.

Every step is being taken to provide entertainment in plenty for the visiting hordes and it is the aim of the local department to establish a reputation second to none as a host city.

Towns embraced in the district which have been invited to attend are Rotan, Roby, Baird, Snyder, Roscoe, Cisco, Loraine, Albany, Post, Merkel, Lueders, Colorado City, Anson, Throckmorton, Rule, Cross Plains, Lawn, and Aspermont.

Tentative program for the day has been arranged for registration to start at 10:00 a. m. at the Fire Station.

After registration the visitors will convene at the Ferguson Theatre at 1:00 p. m. for a business meeting and where a demonstration of the fire power of gasoline will be conducted by a representative of the Ethyl Corporation. This demonstration is one of the most sought features in the country.

The traditional races that accompany all such meetings will be staged on the post office street at 4:00 p. m. and the public is invited to witness the contests.

The supper will be held at the Fire Station at 6:30 p. m. to close the official business of the day.

Dignitaries who have been invited to attend the convention include:

Chief D. C. Musick, Abilene; Chief Ace Forgy, Sweetwater; Chief Dick Rowland, Stamford;

Chief H. V. Crocker, Big Spring; Fire Marshal Len Blackwell, Abilene, Chief John Dean, Plano and Chief John Ballew, Childress.

Chief J. C. Swadley, Grand Prairie; Chief C. P. Chuckwell, Maybank; Chief Paul Conley, Seguin; Railroad Commissioner Olin Culbertson, Austin.

Frank Williams, Pension Commissioner, Austin; T. E. Red Lewis, Electra; Chief Chester Cherry, Ballinger; and Eugene Sanders, Fire Prevention Chief from Austin.

It is expected that Col. H. R. Brayton and Doc Bynum will be here from the Fireman's Training School at College Station.

Entertainment of the visiting ladies will be under the charge of the Hamlin auxiliary.

To help defray the expense of the convention, the department has thus far received contributions from Hillcrest Hatchery, Piggly Wiggly, Chamber of Commerce, Lone Star Gas Co., City of Hamlin, Ferguson Theatre, F. & M. National Bank, Hamlin Compress & Storage, Producers Gin, Hamlin Farmers Gin Co. and Bill's Foods.

Herd's Pastry Shop, Martin Distributing Co., Big Spring; Kimbell's Grocery Co., Stamford; H. O. Wooten Grocery Co., Stamford; Stamford Produce, Keith Produce, Weatherford; Morton Potatoes to Chip Co., Stamford; Duncan Coffee Company.

Banner Dairies, Mead's, Mrs. Baird's and Sunlite Bakeries.

Additional contributions have been pledged and will be announced at the conclusion of the meeting.

He Do'ed It With Witnesses Says Harry Carmichael

Ears are ringing among the golfing clique of Hamlin this week following the links feat of Harry Carmichael in scoring a hole-in-one on the Anson golf course Saturday afternoon.

Carmichael had gone to the neighboring city to fire a preparatory round for the Scotch tournament which is being conducted there. Playing in the group were W. C. Russell, Cotton Bell, George Poe and Austin Poe. When questioned separately they admitted that the feat had been performed.

Metropolitan newspapers were unable to send photographers to Anson because of poor flying weather and Carmichael failed to obtain national recognition of his feat.

Carmichael and his playing partners are united in the statement that the shot was made with a five iron. This is difficult for his past foes on the golf course to believe as he would ordinarily use a brassie on the 119-yard hole.

ROUTINE CALL—Benzon, film-land's gift to female chimps, wants to assure his fans that smoking in bed is not a habit of his. The foreign star—his family tree is in Africa—felt that the cigar in bed was the only unusual element in this picture. He is shown here as he made a routine phone call from his New York hotel while on a personal appearance tour.

Lions Hear Foreign Students Tell Of Problems Abroad

A program that was international in flavor was presented to the Hamlin Lions Club at their luncheon Tuesday when Vice President Gordon Bennett responded to the request of Delma Shelburne with a group from the McMurry College.

Bennett drew from the large foreign enrollment at the college to bring Servando Trevino from Mexico; Shigeo Sato from Tokyo, Japan; B. Young-Kee Miu, from Seoul, Korea, Juri V. Noa, from Estonia and Kenneth Wyatt from the principality of Texas.

Trevino started the program off with piano renditions of three numbers and Min followed with an expression of appreciation for the aid which is being given to his native Korea.

Sato told of the spread of communistic doctrines in Japan and described his purpose in entering McMurry for Christian education to combat this spread.

Feature of the program was the talk of Noa in which he told of the occupation and reoccupation of his native Estonia and his eventual entry into the United States as a displaced person. Noa exhibited a great deal of natural wit along with the more sombre facts related by him.

Kenneth Wyatt closed the show with the performance of feats of magic and the club left the meeting with a variety of information.

President Jim H. King informed the club of the coming District convention and invited delegates to signify their intention of attending.

Harry Carmichael was forcibly restrained from describing his accidental hole-in-one golf shot by concerted action of the club.

Katy Carloadsngs Show Slight Climb

Katy carloadsngs for week ending March 23, 1951, were 9,959 compared with 9,069 for same week in 1950. Cars received from connections totaled 4,669 compared with 4,135 for same week in 1950. Total cars moved to date were 112,266 compared with 99,944 last year to date.

Rotarians Hear Of Safety from Texas Highway Officer

Hamlin Rotarians heard an interesting talk from Highway Patrolman Jerry Bright at their regular noon luncheon. Bright has charge of Jones, Stonewall and Shackelford Counties in patrol duties for the Texas Highway Department Highway Patrol.

He has had this district for three years and stated that an increase in traffic fatalities has increased 23 per cent. From 1,957 in 1949 to 2,410 for 1950.

He stated that five principal causes of traffic fatalities were: wrong side of road, excessive speed, drunken driving, right-of-way violation and obstructed vision.

In closing he stated that Jones and the other Counties had had no fatal accidents since February 1. And that with proper supervision the accidents can be decreased.

The three "E's" or three "C's" also would help in controlling the fatalities. The "E's" are: engineering, enforcement and education; the "C's" are: consideration, control and courtesy.

There were seven visitors from Abilene and Larry Reynolds, Junior Rotarian for the month of March.

Cowardice asks, is it safe? Expediency asks, is it politic? Vanity asks, is it popular? but conscience asks, is it right?—Puncheon.

Hamlin Contingent Is Still In Golf Tourney

W. C. Russell, Holly Toler, Bill Feagan, Carl Young, Elmer Feagan and Haskell Carter remain as Hamlin representatives in the Scotch Foursome golf tournament being held in Anson.

Austin Poe, Harry Carmichael, S. C. Ferguson and Miller Whitehead were eliminated in matches of last week-end.

License Plates Sale Up Saturday Noon

Do you have your 1951 auto registration plate?

Today and tomorrow mark the last days in which you can get your licenses and if you buy it Saturday, you had better set your alarm.

Mrs. John C. Bryant and Miss May Gay have informed The Herald that their Morgan Insurance Agency license sub-station will be closed at noon Saturday.

The Hamlin office had sold over 1,000 passenger car plates at the close of the day Wednesday and they anticipate the usual last minute rush.

Mr. and Mrs. Dean Redus of Pampa spent Easter holidays with his parents, Mr. and Mrs. W. R. Redus.

McCaulley News

By VIVIAN SHORT

A very much needed rain fell softly and slowly Monday for which we are thankful. The report is that five-eighths of an inch fell in our vicinity.

James Edward Lawlis and wife of Lubbock were Easter visitors with his parents, the E. A. Lawlist.

Rufus Fancher and family of Fort Worth were here for Easter with his mother, Mrs. Della Fancher.

Nash Miers visited his father, S. E. Miers, last Wednesday and he accompanied Nash home for a few days visit.

L. S. Houghton and family of Abilene were Easter visitors with the Sherman Houghtons.

Mr. and Mrs. Lawrence Brewer and family of Abilene spent Easter with her parents, the W. C. Keams.

Mrs. G. P. Masser returned to Abilene Sunday after a 10 day visit with Mrs. Leo Masser and sons.

Mrs. Ted Abbott is on the sick list and received treatment last week at the Hamlin Memorial Hospital.

Mr. and Mrs. Roy Parsons of Roby spent Easter with her mother, Mrs. Charles A. Ferguson.

Frank Jackson has resumed his regular duties for Spencer Lumber Company, after a severe illness and operation.

Home from college for Easter were: Mary Ann McCollum from Texas University, Austin; Beth Jones, Pat Maberry and Elmer Hawkins, all of Abilene.

Mrs. L. H. Boyd is a patient in Hendricks Hospital, Abilene. She has undergone surgery there.

Mrs. John Sewell and daughters of Fort Worth are house guests of her parents, the Albert Georges.

Superintendent Leldon Clifton and Mrs. Clifton of Rotan were Sunday visitors with the F. L. Rectors.

Mrs. Buford Jackson and son of Abilene spent Easter with her parents, the Albert Georges.

Mr. and Mrs. W. W. Webb and sons of Kress were Easter guests of her parents, the Beech Jones.

Mrs. L. R. Stuckey and children spent Easter with her parents, Mr. and Mrs. Stewart, of Tennyson.

Miss Margaret Miller and Willard Gibson were married at the Baptist parsonage last Saturday by Rev. L. R. Stuckey, pastor. Good luck to the newly weds! The Herald carries a full account in this week's issue in the society news.

Turner Houghton and family of Roby were Sunday visitors with

his parents, the Sherman Houghtons.

A Thought to Remember:

A word fitly spoken is like apples of gold in pictures of silver.—Proverbs 25:11. So long, friends.

Publisher's Note—Mrs. Short wished to cease being McCaulley correspondent because

of other business engagements and announces that Mrs. George Perryman has been appointed. Turn in all news to her on social events, births, deaths and so forth —It'll make more interesting for all.

The distance between some people's ears is one block.

Mr. and Mrs. Robert W. Harde not Austin were visiting parents over the Easter week-end.

I do not ask where I am going. I do not know. but I have complete confidence in Him, in His power, His wisdom, His love. There is a power that gives serenity and peace.—Bishop William Lawrence.

Dorothy Routh Weds Wilfred E. Brown of Midland Easter Sunday at First Baptist Church

Dorothy Routh, daughter of Mr. and Mrs. Tom Routh, became the bride of Wilfred E. Brown of Midland in rites read Easter in the Hamlin First Baptist Church.

The double ring ceremony was read before an altar decorated with baskets of white gladioli, stock and fern and lighted by tapers in branched candelabra by Rev. A. R. Posey, pastor of the First Baptist Church, at 3:00 p. m. Sunday.

Pre-nuptial music was played by organist, Ted Smith of Borger, who also accompanied Lester Morton of Abilene, who sang "Oh, Promise Me", "Through the Years", and following the ceremony, "The Lord's Prayer."

The bride, given in marriage by her father, wore a ballerina length dress of pink lace with net yoke and cathedral pointed sleeves. She wore a pink straw hat and other accessories were navy.

For something borrowed, she wore a pearl necklace belonging to Mrs. Monetta Brown of Midland, sister-in-law of the groom. For something old, she wore a pearl and ruby ring given to her mother as a child. The bride carried a white Bible topped with a white orchid.

Maid of honor was Miss Dorothy Perkins of Midland, who wore champagne lace with navy accessories and carried a large nosegay of yellow roses.

Best man was Russell Elliott of Hamlin.

Ushers were: Robert Perkins of Eastland and Lesley Shelburne of Hamlin.

Flowergirls were Sharon Anne and Sara Lynne Shelburne of Hamlin, twin nieces of the bride. They were dressed alike in pink and blue organdy dresses with basque waists laced with ribbon and carried nosegays of yellow roses.

Mrs. Brown is a teacher of public school music in Midland Junior High School.

The bridegroom is son of Mr. and Mrs. Sam B. Brown of Jasper and is employed as district clerk for the Texas Pipeline Co. in Midland.

A reception was held after the

ceremony in the church parlor.

The bride's table was laid in white and was centered by an arrangement of sweetpeas. It held a punch bowl and the tiered bridal cake.

Mrs. Lesley Shelburne, sister of the bride and Miss Agnes Morton, Mrs. Willie Dee Upshaw, Mrs. Marvin Carlton and Mrs. Cecil Sellers, served cake and punch.

Mrs. Bill Shira, assisted by Miss Mabeth Brown of Midland, niece of the groom, were at the bride's book.

For the wedding trip, the bride chose a suit of aqua butcher linen, pink blouse and navy accessories and wore an orchid corsage.

After a short trip to New Orleans, Louisiana, the couple will be at home in Midland.

Out of town guests included:

Mrs. Monetta Brown and Mabeth of Midland, Dorothy Perkins of Midland, Mrs. Ovid Lawlis of Snyder, Mrs. Joseph M. Perkins of Eastland, Mr. and Mrs. Robert G. Perkins of Eastland, Mr. and Mrs. Ella Raines, Dorothy Raines, O. Alsap, Valera Ann Williamson, Ted Smith all of Borger, Mr. and Mrs. Jack Holden, Mr. and Mrs. Agnes Morton, J. Carl Holden, Gean Holden all of Abilene, Pfc. Don C. Holden of Fort Sill, Oklahoma, Lester Morton of Abilene, Mr. and Mrs. Crockett Appling, Emma Louise Appling, Mrs. Euclid Appling, Mr. and Mrs. Earl Osment all of Stamford, Mr. and Mrs. T. E. Jane Adams Presides Over Sorority Pledge Welcome at Tech

Jane Adams, daughter of Mr. and Mrs. Seth Adams of Route 1, Hamlin, will preside over a meeting honoring new members and pledges of the Las Vivarochas Club of Texas Tech, Lubbock at the Lubbock Hotel, March 31, according to a report received early this week.

She will be escorted to the meeting by Bill Cannon of Stamford also a student at the college.

Jane has received many honors at the college in this her senior year, as second place winner in Maid of Cotton contest and senior class favorite.

She is also a member of the Home Economics Club, Future Teachers of America, Women's Inter-Club Council, senior representative to House Senate.

She graduated from Hamlin High School and is working for a BS degree in Home Economics.

Mr. and Mrs. Wayland Fuqua and Paula were guests of relatives in Stamford Easter Sunday.

leigh, Mr. and Mrs. Joe B. Routh and Joe B. Routh Jr. of Sweetwater, W. E. Routh of Amarillo, Mr. and Mrs. J. B. McCray and Bill of Panhandle.

Mr. and Mrs. Gene Richardson of Lubbock and Mr. and Mrs. Oscar Young of O'Donnell were Easter guests in the John Hymers home.

The present is never our object; the past and the present we use as means; the future only is our end. Thus, we never live, we only hope to live.—Pascal.

Look upon very day as the whole of life, not merely as a section; and enjoy and improve the present without wishing, through haste, to rush on to another.—Richter.

Mr. and Mrs. E. C. Davis and grandson, Charlie Davis and Miss Alice Willis were guests of relatives in Kerrville over the weekend.

Quiet people aren't the only ones who don't say much.

666 GIVES FAST RELIEF when COLD MISERIES STRIKE

Mr. and Mrs. Harry Pitzer of Chickasaw, Oklahoma were guests in the H. O. Cassle home over the Easter holidays.

Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variable-ness, neither shadow of turning. —James 1:17.

Margaret Miller and James W. Gibson Wed At McCaulley In Saturday Evening Ceremony

Mr. and Mrs. Jerry Miller of McCaulley are announcing the marriage of their daughter, Margaret, to James W. Gibson, son of Mr. and Mrs. Ed Gibson of McCaulley, Saturday evening.

Double ring ceremony was read by Rev. L. R. Stuckey, pastor of the McCaulley Baptist Church, in the parsonage at 5:00 p. m. Saturday.

The bride wore a pink suit with navy and white accessories. For something old she wore a diamond and ruby set ring be-

longing to a friend, Hallie R. McFatter. For something borrowed she carried a white lace handkerchief from Ireland belonging to a friend, Miss Gertrude Mason.

Mr. and Mrs. Gibson were 1949 graduates of the McCaulley High School.

The couple will honeymoon on the Plains for a week and reside at McCaulley after the trip until his call into the armed forces.

Conner Family Holds Reunion Supper Here

Farmers

It's Going To Rain!

We are not strangers here and we don't claim to be fools, but we do know it is going to RAIN. For this reason we are sponsoring a contest to award—

\$25. Cash

to the person guessing the date or nearest date on which one inch or more rain will fall in Hamlin.

OFFICIAL RULES:

1. Only one guess to each farmer. Limited to farmers in Hamlin trade territory. The term 'farmer' applies to operators of farms.
2. Each guess must be placed at least 12 hours in advance of rain.
3. Hamlin Pump Station gauge official.
4. Duplicate awards in case of tie. Limit 2 awards, the first two guesses filed for that date.

Even ASGROW SEEDS will not yield without rain, but your judgement may be best as to when moisture will come. If you get the rain, we have the seed.

A GREATER CHEVROLET SUPER SERVICE STATION

For Hamlin

Carl Murrell Chevrolet Company

... announces reorganization of service department with **Manney Johnson** as head. He will be assisted by Al Hill, Gene Scott and Herman Sharer. Other craftsmen will be added as they can be procured.

With this announcement Mr. Johnson announces the closing of his former garage and requests his customers to bring their work to him in his new appointment.

Mr. Johnson has serviced automobiles for the people of Hamlin for more than 20 years. We are therefore in position to continue service on automobiles and trucks

of all makes. . . so if you are driving transportation other than Chevrolet, you will find a service station here capable of rendering satisfactory service to your transportation.

The trend of events for the past several months are very much parallel to those of 10 years ago. We hope this trend will not continue on this plane, but our fears and our better judgement bury our hopes. We must again organize to "Keep-'em Rolling."

We believe that a modern Chevrolet Service Station

is vital to the welfare of the people of this community. It is with this thought in mind that the reorganization of our service department has been affected.

We now have a Chevrolet Service Station second to none in the county. We have the modern tools and equipment. We have the genuine Chevrolet Parts and we have the trained and experienced craftsmen.

Our New Service Department is YOUR New Service Department.
